Faithful Friar Message

Christ is Risen! Truly he has risen! The ancient Easter greeting from 1st century Christians in and around the eastern Roman empire as Christianity spread out from Jerusalem. These days we greet one another with "Happy Easter", which is OK, but a bit of a downgrade in my humble opinion. But risen he is, alleluia, alleluia! The glory of the Resurrection leads naturally to Divine Mercy, which we all know Pope St John Paul II instituted for the universal Church in the Jubilee Year of 2000, when St Faustina Kowalska was raised to the altars of the Universal Church (i.e. canonized), and we began to be familiar with the Divine Mercy image of the red and white rays from the heart of the risen Lord pouring out his mercy upon the world. And how much does the world need mercy right now with the craziness of the woke agenda being enforced upon us, even from Catholic politicians! We must pray for them, that God break into their stony hearts and give them a heart of love for all life, even the most vulnerable - the babe in the mother's womb. God, through St Faustina's visions, which she records in her diary, promises his mercy to those who venerate the image of Divine Mercy, and grants to all who receive Holy Communion and confession on (or near) Divine Mercy Sunday receive total forgiveness of their sins. This particular Sunday let us Knights unite our prayers for God's Divine Mercy upon all elected officials - of any faith tradition - that the right to life be honored and respected because Jesus is the Way, the Truth and the Life. All life comes from him, and returns to him. God will not be mocked, and even though he is all merciful, his mercy will not flow where there is unrepentant sin. Our prayer can, and will, change hearts to come to the fullness of life!

Christ is risen! Truly he has risen!

Fr Steve FF

A Message from our Worthy Comptroller

Last month we welcomed our newest member, Lorenzo Chavez. He received his Fourth Degree Exemplification 2/17/2024 and attended his first meeting in March. Since my last report, I received \$40.00 each from 2 members. That brings us to a total of \$2,840 from 71 members as well as \$2,220 in donations for the Chalice fund from 23 members. I sent a Final Notice on 3/4/2024, and only received payment from one member after Don Averill talked to him. I will prepare updated reports for our next meeting, needed by the Retention Committee to contact those assigned to them. Please make notes about each call so I can track the status of each member in our Billing System. Membership cards will continue to be mailed to those who have paid their dues. We currently have 119 members, 24 of which are Honorary Life, and one exempt. This includes the changes due to the Exemplification of Lorenzo Chavez last month and the passing of Fr Melvin Long and SK Thomas Gibbs, RIP.

Vivat Jesus!

S.K. Thomas J. Cowan, Faithful Comptroller

Annual Polar Plunge 2024 in support of Special Olympics

The Annual Polar plunge took place on Saturday, March 16th in Big Bear. The snow was falling hard, and the water was very cold.. but many braved the elements to help with this Special Olympics event. Our Assembly contributed to the funds helping purchase hot dog and hamburger lunches for several hundred participants for this most important fundraiser. Working alongside with multiple service organizations, this initiative raised an estimated \$38,000.00 in support of Special Olympics.
