We are seeking sponsors for this event at various levels. These sponsorships help us pay for the event and prizes at our actual event so that we can give more back to charity.

Please consider donating on-line for an immediate receipt of your sponsorship at www.StMattsKofC.org. **Your logo or advertisement will be collected** afterwards. Or please consider leaving your check with the Knights of Columbus Brother asking for your support. We will email or mail you a receipt for your monetary sponsorship.

We are a very active organization in donating time and raising funds to help charitable organizations in our local area as well as for our national organization charities. Our goal is to raise funds each year to support charities that include, but not limited to those listed here.

Your support for this event will enable us to continue to impact the many areas of need our community has. Thank you in advance for your consideration of our request. If you need additional information, please do not hesitate to contact either one of us!

Sincerely,
