### *Into The Breach*

Into the Breach is a call to battle for Catholic men which urges them to embrace wholeheartedly masculine virtues in a world in crisis.

The Church is facing a “man crisis.” Men are made for greatness. “Authentic masculinity” means to live for excellence. Mike Phelan explains how he discovered the nature of true masculinity and how to live it.

Each episode addresses a different aspect of men’s spirituality, such as fatherhood, brotherhood, leadership, prayer and spiritual warfare. Watch all 12 episodes (about 12 minutes each) at KofC.org/intothebreach.

## Westbury Center Inc. Home Association

Thanks to a group of our members who dismantled and removed the defective stove in our kitchen and installed a new commercial stove. The original stove needed extensive repair after providing us with almost 30 years of service and the decision was made to buy a replacement. This new stove allows our volunteer kitchen crew the needed equipment to provide the delicious meals that they serve us each month.

Thanks to another group of members who removed the non-functioning club room "dumb waiter" and created a storage cabinet for bar supplies and other storage.

This volunteer service provides us sizable cost savings and is greatly appreciated.

### *Happy Easter!*

*"Blessed be the God and Father of our Lord Jesus Christ! By His great mercy He has given us a new birth into living hope through the resurrection of Jesus Christ from the dead." Peter 1:3*

Dear Friends,

As the loveliness of spring returns to the earth, we celebrate the wonder of Christ's resurrection. God wants us to enjoy the beauty of the season as He wants us to appreciate one another and ourselves. As you go about your daily routine, let your light shine for others by your good works. Only with God's grace can we and others help shape today's world for the better!
