Deacon's Column

It's up to you to discover and fulfill the particular mission in life which Christ assigned to you and to no one else.

The more you realize how much you are needed, the more initiative, imagination, and courage you will show in bringing out the great power God has hidden within you.

It should thrill you to realize that God wishes you to be his instrument in renewing the face of the earth – and that your efforts will bear fruit from now into eternity.
