COUNCIL CHAPLAIN, FATHER FRANCIS SALASIAR, C.S.C.

Let us remember and celebrate:

Pope Francis has instituted the fourth Sunday of July, which is close to the feast of Sts. Joakim and Anna, the grandparents of Jesus, as grandparents Sunday. The importance of grandparents in the lives of children cannot be denied. Before our culture became so mobile, it was common for children to grow up surrounded by extended family, including one or both sets of grandparents. Their life experience was a guide and beacon in itself.

If you are a grandparent yourself, continue to be the inspiration and a guide that the young people seek from you. Pope Francis says, "It was my grandmother who taught me to pray," At an event in St. Peter's Square, Pope Francis said, "old age is a time of grace," adding that "the elderly, grandparents have the ability to understand the most difficult of situations: a great ability! And when they pray for these situations, their prayer is strong; it is powerful!" So, dear grandparents and elderly, continue to be the ray of hope to your children and grandchildren, in this troubled world.

And, for us who consider ourselves in the category of the younger generations, let us become aware of the strength, wisdom, and guidance that our grandparents and elderly can offer to us. Let us take this opportunity to appreciate our grandparents, our children's grandparents, and all elders who have had an impact on our life. If you know a younger caregiver who is providing assistance to their grandparent, offer them some recognition or a helping hand. Let us honour and glorify their hard work, commitment, and love to us all.

Message from the Grand Knight

Brothers:

As we come upon August, we have a final opportunity to enjoy some quality family time with our love ones and take in the last of the warm weather before school starts again in the fall. Let us reflect on how much our Lord and saviour loves each and every one of us and how fortunate we are to live in Canada where freedom of expression and the practice of our faith is carried out without any difficulties or obstacles. Let us continue to pray for those who are affected by the virus and those who are suffering from grieve or loss. Let's pray that we will be able to once again resume the good works of the Lord to help those who are less fortunate within our community by virtue of being able to host in-person fund raising projects and events.

Let us enjoy the rest of the summer with our loved ones and continue to stay safe in doing so.

Vivat Jesus and Fraternally Yours,

SILVER ROSE

Faith in Action - Life Programs

RESOURCES

Every stop the Silver Rose makes throughout the pilgrimage is a rosary-centered occasion for Knights, parishioners and community members to pray for respect for life.

A Higher Purpose

Share the message of Our Lady of Guadalupe and promote respect for life by participating in this meaningful pilgrimage. The Silver Rose program demonstrates the unity between Knights of Columbus in Canada, the United States and Mexico, through a series of prayer services promoting the dignity of all human life and honouring Our Lady.

Overview

Each year, from early March through mid-December, Silver Roses are stewarded by Knights of Columbus councils along routes from Canada to Mexico. Every stop the Silver Rose makes throughout the pilgrimage is a rosary-centered occasion for Knights, parishioners and community members to pray for respect for life, for the spiritual renewal of each nation, and for the advancement of the message of Our Lady of Guadalupe.

RESOURCES

Every stop the Silver Rose makes throughout the pilgrimage is a rosary-centered occasion for Knights, parishioners and community members to pray for respect for life.

On the evening of July 21st, the Silver Rose, escorted by the **Knights on Bikes** arrived at St. Raphael's Parish in Burlington, Ontario at 6pm to help us celebrate this very special Silver Rose Prayer vigil. Our worthy Chaplain, Father Francis Salasiar presided over this special event at 7pm, along with some Knights from council 5073 their family and friends from St. Patrick's, St. Raphael's and St. John the Baptist parishes. All in all, a total 36 people attended this special prayer/mass vigil. Special thanks goes out to our worthy chaplain, Father Francis Salasiar for hosting this prayer vigil, as well as our worthy district deputy SK David Fisher for reading the introduction, as well as the Knights on Bikes, headed by SK Dennis Mailloux who had Knights on bikes that came from all over Southern Ontario as far away as Windsor, Grimsby, Niagara, and Hamilton to escort and bring us the Silver Rose so that we can conduct this special prayer vigil. Below is a picture of the Knights on Bikes taken with our worthy Chaplain Father Francis, and a picture of the Silver Rose.

Charity Fund Raising Project for 2022 taking place in 2021- Charity Cash Calendar

The Charity Cash Calendar is proceeding and we should have the calendars printed shortly. We will do our best to promote the calendar within our local community and we ask that everyone in our council, as well as brothers from other councils work together to support this worthwhile project because many hands do make light work. We would like to thank the hard work of the co-chairs for the charity cash calendar: Brothers John Sagan and Lee Brown. They both put a lot of effort, time and hard work into this project and should be congratulated for their commitment to the charity projects within our council.

Halton Alive Update

Bringing hope to our community

The Inspire Hope campaign was launched in response to the impact of COVID-19 lockdowns on the elderly. We knew that being isolated and unable to have visitors meant many would be lonely and confused. We've even heard of individuals requesting euthanasia at the thought of another lockdown.

The elderly are valued important members of society so, to help bring hope and encouragement, we found ways to connect while physically distanced.

YOU can be part of demonstrating love and care for those in our community who are most vulnerable during this time. Get involved by signing up for our current initiative.

Current Initiative: Sidewalk Chalking in June & August

Summer is the perfect time to get outside and enjoy the weather! This Inspire Hope initiative is all about bringing some cheerful designs and messages that local retirement and LTC home residents can see from their windows or if they go for a walk.

Sidewalk chalking is a great way to bring visual hope and encouragement to residents and workers or delivery people. And all you need is chalk! Spread the word, get your club, family, neighbors, church etc. involved!

THE GOAL:

We want to see all 47 location get new chalk designs at least once a week in June & August.

HOW IT WORKS:

1. Sign-up to participate.
2. You'll receive an email with a link to select a location(s) and week(s) to chalk.
(Sign-up for as many locations and as often as you'd like!)
3. Remember to bring your own colorful chalk.
4. Send us pictures of you and your team creating your colorful designs!

The Halton Alive held their general meeting on July 22nd. The meeting went very well with lots of great ideas and hope for the unborn moving forward into 2022.
