An opportunity to feed the hungry

Founded in 1987, Feed My Starving Children (FMSC) is a Christian non-profit organization committed to feeding God's children hungry in body and spirit. The approach is simple: volunteers hand-pack meals specially formulated for malnourished children, and we send them to partners around the world where they're used to operate orphanages, schools, clinics and feeding programs to break the cycle of poverty. FMSC food has reached more than 70 countries in our history.

FMSC is looking for volunteers in Libertyville to pack meals. **Brother Knight Ed Rozalewicz is looking to put together a crew to pack meals.** The whole process should only take 2 hours. He will be happy to notify FMSC and arrange the time.
