Grand Knight's Message

Brothers, January has passed, the Super Bowl with all of its accompanying hype is over, and the month of February brings more to the Knights of Columbus' table.

Next Thursday (Feb. 8) brings the monthly business meeting for Our Lady of the Grove. We have many requests for our help and our own council projects to discuss. **If you can work it into your schedules, your attendance at this meeting will prove to be valuable to your Brother Knights.**

Please keep us in mind!
Vivat Jesus!

Field Agent's Message

Because You Love Them

How could you turn down a free comprehensive analysis from one of the "World's Most Ethical Companies?" Why would you pass up on a complete review from North America's most highly rated life insurer*?

Helping your family to prepare for life without you is one of the most selfless actions you can make. So, this Valentine's Day, as your family shows you how much they love you and how much you mean to them, show them how much they mean to you.

Make an appointment with me for your custom analysis, and begin to build an insurance portfolio that will guarantee their protection after you're gone. **As of 12/31/17, rated A++, superior for financial strength by A.M. Best. Designated a 2017 World's Most Ethical Company by the Ethisphere Institue.*

Colleen & John Willard

As they share with us their anointed testimony that has been received at many parishes, conferences and Marian groups throughout the world witnessing to the:

“Great Mercy of God and His Healing Presence of Jesus in the Holy Eucharist!!”

Journey with them as they share the unfolding events in their family life after Colleen was diagnosed with an inoperable brain tumor and in 24-hour pain. It is a talk that will bring a profound awareness to the fruits of suffering and joy in carrying the Cross!

You will be captivated to hear the movements of the Holy Spirit and Our Blessed Mother’s intercession as they were led to take a pilgrimage, not to seek a healing, but to pray for all those she would leave behind. Little did they know that it would be during Mass that Our Lord would heal Colleen physically upon reception of the Holy Eucharist! It is a talk you will not forget, nor want to miss!!

“I recommend their testimony as a way of helping many people to renew and/or regain their faith in Our Lord and Our Blessed Mother’s intercession!”

Archdiocese of Chicago*
