February 2021

COUNCIL CHAPLAIN, FATHER FRANCIS SALASIAR, C.S.C.

Dear Brother Knights,

“Return to Me” – a time to reflect:

As we enter the month of February, we enter into the season of lent and we are reminded to repent and believe in the gospel. Beginning Ash Wednesday, we enter into the season of blessing, where the mother church invites us to reflect on the sacrifice that God makes for us. As we continue to experience the effect of Covid 19, it is also a time to reflect on the sacrifices we have made and what others have made towards us. Let us take this season of lent as a time of purification and a time of returning to the Lord with grateful hearts. For sure, we have experienced something so different than what we are used to in each of our lives.

As the churches continue to be locked and the community and social gatherings are being barred, I can only remind myself of the experience of the Israelites as they journeyed in the desert. God used those 40 years to bring back the people to himself. It took only a few days or weeks to liberate them from the land of Egypt but it took 40 years to win their hearts back. That could be a reminder for us that even though we have the vaccine and there is light at the end of the tunnel, we are not out of it yet. So let us strive to be faithful to our call as Christians, and let us become aware of the call of the season of lent, “Return to me”

The church being locked down, there could be a sense of loss or there could be a sense of spiritual mediocrity. In the situation of ours, there could be two possibilities, people could thirst for God more or People could be relaxed, as there is

no tension or the need to get ready and go to the church. Given the situation I would not blame anyone if you are part of either of the group. But my invitation to each of you is to grow in love towards God and one another. Wherever we are, does not matter, let us Return to the Lord, and let us make this lent as a moment of grace where we can meet God, in us, in others and in every situation of life. Blessings for your journey!

I will be away in India visiting and spending time with my family and won't be back until sometime in February.

With Love and Prayers

Message from the Grand Knight

Brothers:

February is the month of Valentine's Day. This is an opportunity for us to reflect on those people in our lives that we love the most. It is also very important to reflect on the love of our Saviour Jesus Christ for all of humanity. We must continue to demonstrate our love for our family, our friends, our brother Knights, and our community by being examples in helping those who are less fortunate within our community. During this Pandemic, there has never been a greater need for the poor and needy than now. We must find a way to help them.

Spiritual words to live by: **The joy of the Lord is my strength, do not fear!**

Proverbs 10:28

The hope of the righteous ends in gladness, but the expectation of the wicked shall perish.

Vivat Jesus and Fraternally Yours,

Michael Mark

A message from our new field agent:

Field Agent

ALDRIN D'CUNHA

Brother Knights

Please allow me to introduce myself as your Field Agent from the Knights of Columbus, representing your Council. As a resident of Burlington, living in Aldershot, I am happy to have the opportunity to serve in this area.

Since 1882, Catholic men have been emboldened by Fr. McGivney's vision of a charitable organization coupled with an insurance program. One hundred and thirty-eight years later, the Knights of Columbus has grown into the international fraternal benefit society that it is today. However, the road here has not always been straight nor smooth. Times of uncertainty and difficulty appeared along the way, but it was because of these challenges that the Knights of Columbus always came out stronger – and today is no different.

Our financial strength and outlook were highlighted in a publication *Ranking North American Life Insurance Companies from Strongest to Weakest* by S&P Global Ratings. April 6, 2020. It lists the Knights of Columbus as one of only six North American insurance companies with the coveted AA+ financial strength rating. This serves only to underscore our earlier promise, which is **to provide financial security to you and your family while remaining steadfast in our commitment to ethical practices and the principles of our Order**

Looking forward to meeting with you.

Vivat Jesus,

Aldrin DCunha
