COUNCIL CHAPLAIN, FATHER ROSHAN LOY D'SOUZA, CSC

Dear Brother Knights,

Times are tough. Many are struggling. Everything feels uncertain, and with that, fear is in the air. Increased stress weakens our immunity, which can leave us even more worried. To step out of this vicious loop, enter KarunaVirus. Sounds like Corona, but it's even more contagious. :) It's the Sanskrit word for compassion.

Sharing love, care, and compassion. Scientists call it [cognitive reframing](#), but we may call it expression of faith and love.

It has been so wonderful to see all the different ways that people have stepped up to love and to serve one another. And it will be very important in the months to come that we continue to stand strong in our faith and that we build an unshakeable faith as a community.

We feel that the acts of courageous kindness we're seeing all over the world will far outlive the virus, and if enough of us keep it front and center of our consciousness, it could well bring new possibilities for our future.

In real life, every time we face unfortunate events such as setbacks and illnesses, we may think that God has forsaken us and no longer protects us, and thereby sink into negativity and lose our [faith in God](#). Yet, as long as we pray to God in these situations and understand His will, our mistaken viewpoints will be turned around.

Be assured of my prayers to you and your family.

Fr. Roshan Loy D'Souza, CSC

Chaplain

Message from the Grand Knight:

June is now upon us and many, if not all of us have spent the past two months dealing with isolation or limited movement. For some of us who are still working, we are slowly getting back to some normality while respecting the new norm of social distancing both on a personal note, as well as on the business front. Many businesses and organizations now realized that you can actually conduct meetings without leaving your house, as well as not requiring an "office" for people to attend in order to complete their work. Think about how much pollution we are no longer causing due to having so many cars on the road. However, gatherings are second nature for all of us, it will be virtually impossible not to ever socialize with our family and friends again. A condition of utopia for hermits in general(Ha Ha!). I can't wait until we can start doing the things that we need to do within our community in person in order to make a difference for the less fortunate and also those who are in need.

Let us pray for all the people who have been affected by the pandemic and that our God will bring healing to our soul in this time of great need.

I inserted this new photo of me because it will be my second self-administered haircut in 8 weeks. I now wish I was bald.

Vivat Jesus and Fraternally Yours,

Michael Mark

When asked about how our council did on the Father McGivney Award for recruiting new members on our council last year, my response was:

2020 Virtual State Convention

The virtual State Convention was a success. Brothers John Sagan and Gerry Kelly were our delegates who attended this meeting organized by State. Council 5073 won the Trillium Award (Silver level), as well as the Jack Clancy Award which we shared with the Holy Rosary Council in Burlington for our contribution and work for special Olympics. We have much to be proud of, and we should continue to report success stories on any activities that we have held for fund-raising, for our community, for recruiting new members, in an effort to capture even more recognition for our council's efforts. I would like to congratulate all of you for your dedication and contribution throughout the fraternal year in helping our council be recognized as an active and vibrant one within the Burlington community! Give yourselves a round of applause!

Our Chaplain, Father Roshan D'Souza has accepted a position in Toronto effective July 1st, 2020. The State Lottery is here again

In case you are not aware of it, we have been informed by State that the draw for the State Lottery has been postponed to October 30th, 2020 as a result of the present global pandemic. We have until October 1st, 2020 to sell the tickets.

Booklets of tickets are available and can be secured directly from Colin Pye. Remember that this is an excellent opportunity for our council to make some extra money just by selling out all 60 booklets that we received from State. If we managed to sell all 60 booklets, **the council stands to make an extra \$600**. Please contact brother Colin Pye and get your booklets today and sell it to all your friends, co-workers, neighbours, and family. *Also, if anyone*

has sold tickets, please hang on to the stubs and money until we can meet in person again. Thank you all for your hard work and cooperation!

Brother Jim McCarthy was in communication with the golf course management and we are putting this event on hold until July because the social distancing protocol has to be lifted by the government before any golf tournaments can be held. We are advised by the golf course to sit tight and wait. There were many major tournaments that was postponed to September, but the golf course cannot assure to everyone that the golf tournaments can even be held until the restrictions for social distancing has been somewhat relaxed by our government. Stay tuned for any updates.
