## Grand Knight's Message

Brother Knights,

We had a busy month with two prayer vigils, the Vocation raffle and the Exemplification of Jude Brice. We had more Knights at the Membership Meeting and had our first Social meeting.

Thanks to all our Brothers who help Our Community in mind, body and soul. **Also, thanks to Jun for becoming the recorder.** Lastly, we ended the month with history by witnessing Our Founder Blessed Fr. Michael J McGivney's Beatification.

We start November by honoring Our Brother Knights who have served Our Nation and for those who continue to defend Our Nation. We are entering a new chapter in United States History and the future is uncertain. I do know that it is bright because we will continue to help those in need.

**We will have another Zoom Exemplification on Thursday, November 19. If you are a First-Degree Knight, please prayerfully consider become a full Knight by taking your Second and Third Degree. Look for the Zoom link in your email.**

**Thank you** for what you have done and will do!

## General Agent's Message

Brother Knights,

The October issue of the Columbia Magazine brings an annual recognition to some very hard working, and talented Field Agents. Our very own **Pierre Zermatten has been recognized for the 6<sup>th</sup> consecutive year** for earning his place in **the Million dollar Round Table** for 2019. This is an industry standard where **only 1% of all agents world-wide earn this honor**. The Blessed Fr. Michael J. McGivney would be extremely proud of Pierre's accomplishments in helping our families.

For those fortunate to call Pierre "their" field agent, you have the opportunity to meet with him annual (more if your situation dictates more frequent meetings), to assess and re-evaluate your financial situation, to make sure your plan is still doing what your intentions are to protect your family, set up your accumulation, or maximize your income during your retirement.

Many of you have received the annual **Fraternal Survey** from Supreme. These surveys give your field agent some insight how to best serve you and your families. Supreme is continuing to upgrade the products and services we offer as part of your fraternal benefits. A comprehensive assessment is available to you at no costs simply by being a member of the Order. Many financial advisors, using the same exact software, will often charge thousands of dollars.

Since Pierre is one of the most-talented field agents in the entire company, his calendar is extremely busy with appointments. With Covid-19 we respect social distancing and he will conduct a Virtual Meeting on-line. I strongly encourage you to contact Pierre and block your time before he will need to place you on a waiting list.

**Please join me in congratulating Pierre on his outstanding accomplishments of fulfilling Fr. McGivney's vision.**

Faternally,

Jim Lutz - General Agent

## Chaplain's Message

Today November 7, 2020, I am sitting at my desk responding to a request to write a word for the November newsletter. After watching the news during the afternoon and seeing the crowds of citizens jubilating on the streets, I agreed that today is a historic day for the United States of America. The citizens of America have elected their 46<sup>th</sup> President to be sworn in in January 2021. CONGRATULATIONS !!!

November is dedicated to remembering our ancestors who have gone before us. Some have been canonized and others are not made public. We prayed to the canonized saints for their intercession. We pray for the souls of the faithful departed that the Lord may judge their worthiness and help them join the Communion of Saints. November 26, 2020 is THANKSGIVING DAY in the United States of America. It is a fitting day for all citizens of the United States of America to give thanks to God The Almighty Who gives us all that we have.

His Holiness Pope Francis appointed Priests from the Chicago Archdiocese to be auxiliary bishops to assist Cardinal Cupich. They are Bishops elect Kevin Birmingham, Jeffery Grob and Franciscan Friar of the Renewal Robert Lombardo. The episcopal ordination of the bishops-elect will take place the Feast Day of Saint Francis Xavier Cabrini, November 13, 2020. CONGRATULATIONS !!!

On Sunday November 22, 2020 the Catholic Church celebrates the Feast Day of Our Lord Jesus Christ, King of the Universe. With this feast we celebrate the last Sunday in Ordinary Time. On Sunday November 29, we enter in the Advent Season. This is also known as a season when different religions celebrate their own holiday festivals.

That is why most people wish one another: "Happy Holidays" It is we, who are Christian Catholics, that wish each other "**Merry Christmas**" It is a very special season for us when we recall the words of Saint John: "God loves us so much that He gave His only begotten Son." Thank you God.

Let us find every opportunity to **Pray, Pray, Pray** for the world, for our country, for our church members and for our family and friends. Remember PRAYER is the only answer for Unity and Peace in the world.

## *What is Newman All About*

---

Newman campus ministry isn't merely a Catholic social club nor is it just a reminder to Catholics of Sunday duty-ism. Newman is the Church on-campus responding to the personal and religious needs of college students. The Newman Campus Ministry is a visible manifestation of the richness of Catholicism and the variety of its concerns. Newman is the people of God – the community of Christians in campus life that promotes the well-being of higher education and society as a whole.

Newman comes to the campus with a dedication to truth ..... not to propagandize, but to contribute. It reaches out to alienated and inactive Catholics and students struggling with the attractions of fundamentalism and cults, materialism, and moral relativism. Newman has become the hub of communication on campus. Newman fosters a *Faith that Evangelizes* and spreads the good news of Jesus Christ across our secular campuses.

**\* The Newman Centers in Illinois need your support to help our students grow spiritually, as well as intellectually! These are our children, grandchildren, nieces and nephews. They are the future of The Church.**

## COUNCILS IN COLLABORATION

### Chaplin's Message:

#### Time Passes Quickly –

Our weeks have become routine during the pandemic. Hopefully this routine has included the daily praying of the **Prayer to Christ Crucified In Time of Pestilence and Contagion** that was included in the last newsletter. On October 19<sup>th</sup>, the Cardinal Cody Assembly met virtually and my Faithful Friar's report was this prayer. Thank you to Mel Tomeczko for including it with the minutes. As we look forward to Thanksgiving, the days of preparation zoom by as we make adjustments to the type of celebration that includes fewer family members being present and little or no travel to visit others. Thanksgiving is only two days away from the beginning of Advent on November 28<sup>th</sup>.

Advent begins a new year. Yes, Jesus came and he will come again. He will be with us and take us home. Until then, our life is a pilgrimage. Each Advent we start once more to live with him and in him. "Lord our God, help us to prepare for the coming of Christ your Son. May he find us waiting, eager in joyful prayer. The four weeks "passes quickly" as we pray: **Come Lord Jesus, come! Make your dwelling within me! Now and again may your presence be felt –by me and through me, in spite of me and because of me.**

My best wishes and prayers go to all during our journey these weeks. Be safe in following the health

directives. Happy Thanksgiving! Merry Christmas

Chapter chaplain

### President's Message:

Dear Brother Knights and Friends:

It has been two months since my last correspondence to you all and unfortunately not much has changed: Covid is still running rampant throughout our States, our history is being challenged and our government is divided now more than ever.

On a positive note, our beloved churches are starting to open and sacraments are being celebrated. It is more important than ever that we make ourselves available to our Pastors and to be present in our churches. We have Council members who are Sunday mass greeters, ushers, ministers and church sanitizers/cleaners. We must continue to build our Councils with new members and to remember that we all became a member because someone tapped us on the shoulder and asked. Let's build our Councils by asking.

I had the pleasure of being voted in as a delegate to this year's 138<sup>th</sup> Supreme convention. Unfortunately, because of Covid, my participation was done in virtual settings. Even though I was not there in person, it was still an amazing event. The theme of the convention was Knights of Columbus-Knights of Fraternity.

A few highlights were a letter from His Holiness, Pope Francis, reminding us of the vision that guided the formation of our Order; Masses were celebrated at St. Mary's Church, the Order's birthplace; A Memorial Mass was held where Supreme Knight Anderson was at the sarcophagus of Venerable Michael McGivney

and lead Knights in the prayer for our founder's canonization.

Business meetings from 12 different time zones were held by State Council leaders and delegates who gathered in local hotels. Awards were presented to recognize outstanding achievements in Faith, Family, Community and Life, just to mention a few. And an annual report was given by our Supreme Knight Anderson. The convention concluded with his closing remarks to move forward in Fraternity, that we must follow Fr. McGivney's great vision of Brotherhood united in Charity.

We must remember that we are Knights of Fraternity and Chicago Strong!

On behalf of my wife, Melanie, and me, we wish you and your families a safe and Happy Thanksgiving with family and friends and a Joyous and Peaceful Christmas Season and a Happy New Year. May it bring each of you health, happiness and love for one another.

Sincerely Yours in Christ

## OUR CALL TO ACTION

Brother Knights, I hope you are all well in body and spirit. This past year has taken its toll on everyone and will continue to do so until we can reach equilibrium between risk of disease and practical life. Disease is nothing new and we as humans have coped in one way or another for centuries, granted sometimes much better than others, but then again despite what

the government and their experts tell us, there is no comprehensive handbook on epidemic management.

We need to cautiously listen to the provided guidelines and decide what is reasonable and what is contrived. Only God knows what will happen and how our current situation fits within His plan. We must trust in him. But that does not mean we should be reckless or conversely paralyzed with fear. I'm not one for conspiracy theories, but if I were an anti-family, anti-religious political organization, I might take advantage of the present situation and plant the seeds of despair as well as disrupt social interaction at all levels.

Social distancing effectively keeps the more established generations from meeting and conversing for fear of health issues and prevents the newer younger generations from learning problem-solving social skills that are essential in decision making, making them more susceptible to the suggestions of media and government in the future. Look what we are already seeing with Antifa and their inability to resolve conflict through compromise.

We as Knights are limited in what we can do but that does not mean we can do nothing. On the contrary, more than ever we need to find ways to stay in communication with our Brothers and Councils. We need to seek out means of supporting our Pastor and encourage "spiritual maintenance"; ways we can keep our Catholic faith unwavering and keep all people in our parish community engaged. Ask yourself, how involved am I with my Council? Could we as a group do better to assist our Pastor and each other? Am I sharing activities and opportunities that I hear about,

see on social media, or provided by Supreme Council? Am I stepping up to be the glue of spirituality for my family and fellow Catholics? It is not too late to start.

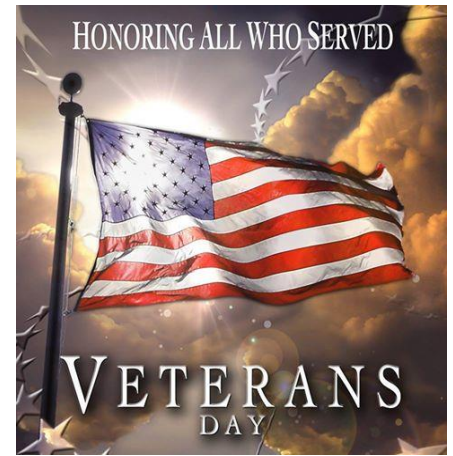

You can discuss with Council Brothers, ways to not only stay in communication: conference calls, web meetings, socially distanced committee meetings, etc., but also how we can join St. Michael the Archangel and defend our fellow Catholics and our Faith. Yes, we serve our Queen Mary, but also we must take our lead from St. Michael and join the fight against the daily attacks of Satan.

Please reconnect with your Brothers! Ask like-minded Catholic men to join our Order and help where others may not be able get out. We are NOT just collecting members as tally marks on a ledger, but recruiting because we need men who want to serve their Church and are willing to take action NOW!. Chances are if you see them out carrying on their lives, they will be willing to join the cause. They are our future and must be encouraged to defend their faith.

Help them to see its "ok" to be Catholic and not cause for shame. Also reconnect and rely upon the wisdom of senior members and assure them their hard service over the years will continue, most likely differently than in the past, but that is fine so long as our Catholic Faith endures. All of us need to be the spark, the catalyst and make things happen, putting our Faith into Action. Otherwise Satan has won.

## Food for Families

*"You pray for the hungry. Then you feed them. That's how Prayer works." – Pope Francis*

The need for food to feed hungry families is ongoing especially during November and December. Keep up the good work by helping others have enough to eat during these tough times.

The Knights of Columbus is committed to ending hunger in our local communities by asking local councils to participate in the Order wide Food for Families Program...

To encourage local Knights of Columbus councils to participate in this worthwhile program, the Supreme Council offers financial rebates to councils, assemblies or Squires circles that donate food or money.

For councils or assemblies, the Supreme Council will refund \$100 for every \$500 donated, or for every 1,000 pounds of food that a council contributes to a parish food pantry, community food bank or soup kitchen - up to a maximum of \$500 per council/assembly per fraternal year.

Reported contributions of food and/or monetary donations should be cumulative for the fraternal year and there is no need to send in a refund request every time a contribution is made. However, to be eligible for the rebate, the cumulative total of contributions of food/money needs to be at a minimum of \$500 or 1,000 pounds of food for councils or assemblies.

Participating councils, and assemblies, should report activity and apply using the Food for Families Refund and Plaque Application (#10057).

In 1621, the Plymouth colonists and Wampanoag Indians shared an autumn harvest feast that is acknowledged today as one of the first Thanksgiving celebrations in the colonies. For more than two centuries, days of thanksgiving were celebrated by individual colonies and states. It wasn't until 1863, in the midst of the Civil War, that President Abraham Lincoln proclaimed a national Thanksgiving Day to be held each November.

As we celebrate Thanksgiving on November 26<sup>th</sup> we all have much to be thankful for in our lives and we should take a few minutes to thank GOD for all He has given us.

The officers and members pray that all the families of the Chicago Archdiocesan Chapter have a wonderful celebration with family and friends as we celebrate Thanksgiving across this Great Nation.

**Virtual Veterans Day Fun 5k/10k Walk/Run**

With the event being virtual, you can choose your own course of either 5k (3.1m) or 10 k (8.2m), walk or run anytime you choose, at your own pace, between the dates of [Nov 1st thru Nov 15th.](#)

This is a fun event, not a race, so you can even break up you walk/run into segments (eg. 1 mile each day for 3 or 5 days). The winners will be the Vets we help.

**Entry fee is \$15.00 plus \$1.25 to cover our processing costs.** Participants will receive a Certificate of Completion in your name or in 'Memory of' or in 'Honor of' someone in the service. Also, you can choose to receive a Medal and/or a commemorative t-shirt at no extra cost. Even if you choose not to walk/run, you can make a donation on our site.

This is a great opportunity for anyone who has never entered a Fun Run/Walk to try it out, or for those who have many events under their belts to get in a tune up for their next race.

**To Register for our Virtual Fun Walk/Run, visit our SignupGenius website at [www.tinyurl.com/KnightsV5K10K](http://www.tinyurl.com/KnightsV5K10K)**

Proceeds from the Event will be donated to:

- The [Gary Sinise Foundation](#) which aids those in the military, veterans, first responders, their families and those in need.
- [Hines Veterans Hospital Outreach Program](#) which help veterans in need.

Once registered, your event info packet will be emailed to you with full details on our event.

**All are encouraged to participate. No matter who you are, you will be helping show your support of our Veterans who have selflessly and bravely served our country.**

**Thank you!**

Knights of Columbus  
Fourth Degree - Northern Illinois District  
Marquette Province

October 23, 2020

Worthy Sir Knights,

I am humbled and honored to have been appointed by the Supreme Knight Carl Anderson to the position of Master of the Northern Illinois District, Marquette Province.

It is so fitting that I get to follow in the footsteps of a great Former Master SK Ben Daniels. Since both of us are from University Council #1687, it allows me to keep this legacy of the Forth Degree going.

It's exciting to start my term with the upcoming virtual Forth Degree exemplification on November 7<sup>th</sup>. We are planning for an in person exemplification in the spring but not knowing how long the Covid virus will last, it may very well be virtual as well, time will tell.

Please remember that each time you put on your Forth Degree uniform you are representing every member of the Knights of Columbus. We have to continue working with the growth of the order and would encourage all District Deputy's to work with Council's and Assembly's to not only have star councils but also star assemblies. I look forward in working with all DD's and FN's.

God Bless All - God Bless America
