COUNCIL CHAPLAIN, FATHER FRANCIS SALASIAR, C.S.C.

Dear Brother Knights,

I read a news story once of a woman who was getting ready to jump off a 44-story building in New York City. Witnesses said that she did not look like the type of person who would do such a thing. She was very distinguished and well dressed.

All the attempts made by the police to get the woman off the ledge had failed. One of the officers asked if he could call his pastor in to see if he could help. When the pastor arrived, he asked permission to go to the ledge and talk to the woman.

As the pastor came neared the edge, the woman screamed, "Don't come any closer or I'll jump!" The pastor took a step back and then said, "I am sorry that you believe that no one loves you." This got the woman's attention and it got the attention of the police. That was something that you don't usually say to a person who is threatening suicide.

The woman took a step towards the pastor and said, "My grandchildren love me and so does my children. My whole family loves me! I have 8 wonderful grandchildren and they love me." The pastor

took a step towards the woman and said, "Well then, you must be very poor, maybe that is why you want to take your own life."

The woman who was a little overweight said, "Do I look like I go without any meals? We live in a very nice apartment. I'm not poor." The pastor took another step closer to her and was now 3 feet from her when he asked, "Then why do you want to kill yourself? I don't understand." The woman thought for a moment and then said, "You know, I don't really remember." The story ends with the pastor and the woman walking towards the elevator as she shows him pictures of her grandchildren. Eventually, this woman becomes a volunteer on the city's suicide hotline, helping others choose life.

What did the pastor do to help this woman? He helped her get her eyes off herself and onto the many ways that God had blessed her.

We are in the season of thanksgiving and we need to take our eyes off of our individual self to look around to appreciate the gifts of God. Sometimes when we are so focused on ourselves, or have a narrow view of life, we could forget all that we have. God has given us so many opportunities and people to show his love for us. Let us be thankful for all that we have received. Let us celebrate this season, counting the many blessings and be grateful for them.

Fr. Francis Salasiar, CSC
Chaplain

Message from the Grand Knight

Brothers:

The road ahead is going to be difficult, but we must all continue to focus and stay the course on our mandate as the Knights of Columbus to help those who are less fortunate within our community. We have to figure out other ways to fund raise for the needy as our traditional methods have been adversely affected by the global pandemic. A spiritual message for all:

**Never Forget
How far you've come.
Everything you have gotten
through. All the times you
pushed on even when you
felt you couldn't. All the
mornings you got out of bed
no matter how hard it was.
All the times you wanted
to give up but God gave you
strength for the day and
made a way when you saw
no way. Thank Him!
Amen**

Halton Alive Update

"I have set before you life and death, blessing and curse. Therefore, choose life, that you and your offspring may live, loving the Lord your God, obeying his voice and holding fast to him "
 Deut 30:19b-20a

Future Vision

With all the changes in our world due to Covid, there has been a clear move to increased online presence and learning. At Halton Alive we work hard to stay relevant and adapt to shifts in how the

culture communicates, all the while, fulfilling our mission to promote the value of human life and reach people with the education and resources they need.

We have been creatively adapting our events to fit virtual options and keep our audience engaged over the last 6 months. No matter what is happening in the world, life issues remain and we refuse to lose sight of that.

In light of the online learning that will continue, especially in schools, we are working on the development of online based learning kits for educators, parents and church youth leaders. These kits will act as a resource to help talk to kids and youth about life issues. They will include videos, worksheets, quizzes, crafts/activities, and ways to take action.

As you give and help promote Halton Alive events and fundraisers this is the type of ingenuity and action you are supporting. Thank you for your help in making this a reality.

Upcoming Events

The Gathering Sat. Oct. 3 - It's on! The Gathering will be both an in-person and online event. Participants will gather to pray following physical distancing protocols at the church location and we will set up a Zoom call for those who want to participate virtually. They will be shown on the big screen so we can experience a sense of unity as we pray over the pro-life issues in our nation.

Full details online: www.haltionalive.ca/thegathering

Respect Life Sunday Oct. 3 & 4 - This is a yearly event opportunity for parishes to focus on the sanctity of human life. Each year Halton Alive provides bulletin inserts with pro-life content and perspective. This year's RLS will focus on the elderly and will be disseminated virtually since parishes are not handing out material currently.

- Some parishes take this opportunity to do a collection to support the work of Halton Alive. If your parish is not currently doing so we welcome a discussion on how you can help advocate for one.
- Some councils do their Roses for Life on this weekend - we are happy to collaborate on ideas to do this in the time of Covid or how this effort can be enhanced.

Life Chain Sun. Oct. 4 - this event is now under the leadership of Mary Muller who will contact you separately regarding Life Chain plans.

How your council can help: Plan to attend/participate in these events in whatever format they take (Add them to your calendar). Help us spread the word to your friends, family, business, and church.

Gala 2020: We are excited to announce this year's Gala as a Gala-in-a-box concept accompanied by a live, virtual event on Oct. 16th.

Participants will receive a physical box, in advance, with freebies, information, and items to help create an at-home Gala experience. We are also including something for the kids!

Then on Oct. 16th, participants will tune in to the live, virtual event platform where they can interact with other attendees, hear presentations, participate in the silent auction and more.

How your council can help:

1. Sponsor the Gala as a Council. This chart outlines sponsor levels and ROI for this year's event. Further information and

sponsor form can be filled out online at www.haltonalive.ca/sponsor2020 . The earlier you confirm your sponsorship the more time we'll be able to promote your council on our website as people register for their Gala-in-a-box

2. Help us spread the word - invite others to attend, host your own covid-appropriate get together the night of the Gala.
3. Help advertise the Gala on your website and online platforms.

The State Lottery is here

In case anyone is not aware of it, we have been informed by State that the draw for the State Lottery has been postponed to October 30th, 2020 as a result of the present global pandemic. We have until October 1st, 2020 to return the tickets that were sold. Please do not stick address labels on the ticket stubs to be returned to State as it will render the ticket to be invalid. Instead, please print name and address of ticket purchaser on ticket stubs sold.

Booklets of tickets are available and can be secured directly from brother Colin Pye. If you have not secured a book or two of tickets from brother Colin Pye, now is the time to do so and help to raise funds for our council. Remember that this is an excellent opportunity for our council to make some extra money just by selling out all 60 booklets that we received from State. If we managed to sell all 60 booklets, **the council stands to make an extra \$600.** Please contact brother Colin Pye and get your booklets today and sell it to all your friends, co-workers, neighbours, and family. Also, if anyone has sold tickets, please hang on to the stubs and money until we can meet in person again. Thank you all for your hard work, support and cooperation!

Obituary

TILLY, Christena "Margaret" (nee Morrison)

Margaret passed away Tuesday Sept. 8th, 2020, surrounded by her children, grandchildren, great grandchild and the love of her life for 60 years, Tom Tilly. Marg and Tom married, bought a home in Burlington and stayed there for those 60 years, welcoming 3 children, Carolyn Webb (Greg), Derek Tilly (Barb), Christena Hendriksen (Adrian), and their grandchildren, Eric (Stefanie), Brendan (Kristina), Alexandra (Robert), Ryan, Justin, Jennifer and Jordan. Margaret and Tom welcomed their first great grandchild Jaxton last year, cradling an infant, Margaret's lap was warmed again- this was when she was the happiest.

Margaret originated from Halifax from a large family of 8 siblings and loving parents; Christena and Murdoch. Dear sister of Theresa (Al), Kay (late Robert), Sally (Guy), Shirley (Ed), Loretta (late Bob), late Verna (Ernie), late Alexander (Carole) and Tish (late Anthony). Margaret will also be missed by her dear friend Judy Stefnitz, they had shared many evening chats together. Margaret was a great confidant, joke sharer, peace keeper, the best advice giver-ever and as Tom says, "the glue of the family".

Margaret and Tom were long time parishioners of St. Patrick's Church, Margaret enjoying being a member of the CWL and their faith was a strong bond for the both of them. The family wishes to thank Dr. A. Ghali, Dr. P. Beaudry, Karen Antoni NP and the emergency support services that assisted Margaret. A special thanks to Paige Taugher from Smiths FH, (and family friend) who has been invaluable and comforting to all of us.

As per Margaret's wishes, private cremation has taken place. Interment and a Celebration of Life will be held at a later date, attended by family only. In lieu of flowers, donations in memory of Margaret to St. Vincent De Paul Society through St. Patrick's Roman Catholic Church would be sincerely appreciated by the family.

She was a great Mum and an even better Nana.

As a parishioner of St. Patrick's, I got to know both Tom and Margaret as the Knights often assisted the CWL with the annual Christmas Bazaar, as well as many other social events that took place at the St. Patrick Church Hall. SK Tom Tilly and his wife Margaret were both very active within the St. Patrick's parish. SK Tom often

helped out at the parish breakfast put on by the Knights of Columbus. Please join me in praying for the entire Tilly family at this most difficult time.
