Worthy Brother Knights,

It is with sadness that we must bid farewell to our beloved Field Agent, Pierre Zermatten, who will be leaving us at the end of the month.

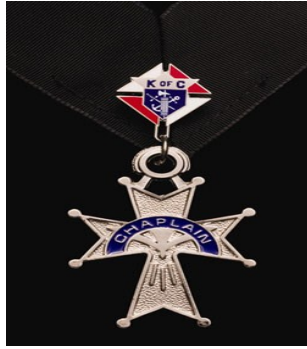

Due to his wife's health, they are moving to a more agreeable climate.

Let us all wish Pierre and his wife God's blessings as they enter a new phase of their lives.

## Chaplain's Message

Worthy Brother Knights,

I sit at my desk this **LABOR DAY 2021**. Today marks **unofficially**, the end of the summer season, the beginning of the academic year, beginning of all the Parish and School activities. In this time of uncertainties, we do not really know what to expect and attempt to move with the times. Saint Mary School has been in regular in-person sessions for the past few weeks, the parish has opened the door for the church during the day, while the timings for the masses are the same – weekend and week-days, the parish office is open for regular work, and as they say: **Life Goes On !!!** Praise the Lord

The month of September gives us some important dates to remember:

9/8 is the Birthday of Mary the chosen mother of God (Jesus Christ – the Word made Flesh), 9/15 we celebrate to remember the Sorrowful Mother who accepted all her sorrows for the love of God. 9/11 is an important date to remember when the United States of America was attacked. 9/14 the church celebrates the Exaltation of the Cross. 9/21 is the feast of Saint Matthew the Evangelist and 9/29 is the feast of the Archangels Michael, Raphael and Gabriel. And finally, 9/27 is the celebration of Saint Vincent de Paul. Let us pray very specially for the members of Saint Mary Vincent de Paul who are so dedicated and work so hard to bring help and solace to the needy of our neighborhood. Pray also for the many donors of the parish who support the Vincent de Paul Mission. Thank you.

Liturgically, as we continue to celebrate the Sundays in Ordinary Time, we are repeatedly reminded of the Eucharist, the center of the life of a Christian. Jesus Christ, as we are taught and often reminded, it **EMMANUEL**, God is with us. As Knights of Columbus, we are time and time again reminded that all that we say, all that we do, and all that we are has got to be done, "through Him and with Him and in Him. As we continue to be active members in our own Councils and Assembly, let us pray for all our Brother Knights around the world who like our brother Knights that are also active members of the Vincent de Paul Society.

Let us also pray for our Holy Father the Pope and the Universal Catholic Church that is being divided in its different thinking. Jesus Christ appointed Saint Peter to be the first Pope and his successors are to be as Christ the Head of the Church. Let us pray that every baptized Catholic will not only accept Jesus Christ as the head of the Church, but also accept the Pope as God's appointed authority to keep the Catholic Church united in Faith and Practice.

With every good wish and God Bless you and all your loved ones.

**God Bless all of you and your families.**

**Fraternally yours,**

**Fr. Denis Carneiro**

**We live in a time of crisis for religious faith and family life** that must be met by men with a heartfelt embrace of masculine virtue. To outline the challenges we face and devise a plan of battle, Bishop Thomas J. Olmsted has written the groundbreaking document, *Into the Breach*. Addressed originally to the men in his Diocese of Phoenix, it is here made available to all Catholics by the Knights of Columbus.

The Knights are pleased to partner with Bishop Olmsted in making this document more widely available and to provide the following study guide on the important issues he raises. **Bishop Olmsted begins his analysis with the shocking fact that 14 million Catholics nationwide have left the Church in recent years, with a corresponding drop in baptisms, church weddings and other sacramental participation.** There is an enormous breach in the battle line of faith that is causing disruptions in the Church and wider society.

While this crisis concerns the whole Church, men in particular are missing from the battlefield of faith. Consider that men make up only about 40 percent of Mass attendees in the average parish — this is an enormous loss for the Church and for the men themselves, many of whom vainly seek fulfillment by conforming to the world's false images of manhood.

**In this document, Bishop Olmsted calls men to something better, something great.** He identifies the enemies of the faith — both spiritual and temporal — and draws up a battle plan for men to fight for their own souls and for the salvation of their families and loved ones. Here you will find a sure guide for stepping into the moral and cultural breach. Let us join our brother Catholics on the front lines and take up the battle anew, to spread the joy of the Gospel, heal the wounds within ourselves and others, and steadily transform the world.
