Grand Knight's Message

Before becoming your Grand Knight, I would receive the same emails concerning K of C information that all Knights in our council receive. Once, after receiving several of these communications in a rather short period, I commented to a Past Grand Knight about this flurry of messages. "Just wait until you become the Grand Knight!" was the response that I heard. And how right he was!

The Grand Knight receives solicitations, requests for financial aid, guidance on issues from our state headquarters, guidance from Supreme headquarters, even recently communications about communications! At times, it seems as though the entire world wants my ear. There is, however, one input that I do not get enough of, that is: **YOUR INPUT!**

What I am referring to is input from more of our members about the activities of our council. While we have a few very active members who attend virtually all of our business meetings and provide much appreciated input on our programs and activities, more voices are always needed. Like most organizations, we can fall into ruts and habits about the things that we do and how we do them.

This is why I am asking for your help.

If you haven't been very active in our council, and can work us into your schedule even occasionally throughout the year, you would provide a great help to your Brother Knights. **Remember, our business meetings are the second Thursday of the month at 7:30 pm in the school lunchroom.** We look forward to seeing you there!

Vivat Jesus!

What Can You Do To Help The Newman Programs

Saint John Paul II called for a period of renewed efforts to spread the Good News throughout our nation and the world. One of the most vital and effective means of evangelization is the Catholic presence on our college campuses throughout the various Newman Campus Ministry Programs. Let us continue these prayers in his memory.

Today, college students are exposed to many ideologies that are incompatible with the Gospel. This is why it is more important, now than ever before, that we have an active and vibrant Catholic outreach Newman Ministry Program. Without your support these ministries of the Catholic Church in colleges and universities throughout Illinois would not be possible.

Here's What You Can Do To.....

-  Encourage your college son or daughter, grandson or granddaughter, nephew or niece to join the Newman Campus ministry.
-  As a council, host a fund-raising program, such as a walk-a-thon, pancake breakfast, rummage sale, or steak fry dinner.
-  Make a contribution to the Illinois knights of Columbus Newman Apostolate Fund.
-  Pray for the success of our students, our Campus Ministers and the Ministry Program.

Thanks for your consideration in helping support the oldest Charity in the State of Illinois!
